As of the execution date hereunder, Assignee will be free to use the Patents Rights, to transfer the Patents Rights to third parties and to maintain or abandon the Patents Rights.

Assignor further agrees to and hereby does sell, assign, transfer and convey unto Assignee all rights: (i) in and to causes of action and enforcement rights for the Patent Rights including all rights to pursue damages, injunctive relief and other remedies for past and future infringement of the Patent Rights, and (ii) to apply in any or all countries of the world for patents, certificates of invention or other governmental grants for the Patent Rights, including without limitation under the Paris Convention for the Protection of Industrial Property, the International Patent Cooperation Treaty, or any other convention, treaty, agreement or understanding. Assignor also hereby authorizes the respective patent office or governmental agency in each jurisdiction to issue any and all patents or certificates of invention which may be granted upon any of the Patent Rights in the name of Assignee, as the assignee to the entire interest therein.

Assignor represents and warrants that: (i) it has good and marketable title to the Patent Rights identified above, including without limitation all rights, title, and interest in the Patent Rights to sue for infringement thereof; (ii) the Patent Rights are free and clear of all liens, mortgages, security interests

or other encumbrances, and restrictions on transfer; (iii) it has full power and authority to make the present assignment; and (iv) no rights or licenses have been granted under the Patent Rights.

At the reasonable request of Assignee, Assignor shall execute and deliver such other instruments and do and perform such other acts and things as may be necessary or desirable for the sole purpose of effecting completely the consummation of the transactions contemplated hereby.

All powers and authorisations are given to the holder of an original, copy or extract of this Agreement to execute all the necessary formalities, registrations, publications, files and mentions thereof with any authorities or administrations, where applicable. Except as expressly agreed between Assignor and Assignee, Assignee shall execute all formalities and incur all related costs pursuant to the registration as well as all formalities, levies, duties and taxes that may be required by foreign administrations for the purposes of assignment hereof.

The terms and conditions of this Assignment shall inure to the benefit of Assignee, its successors, assigns and other legal representatives, and shall be binding upon Assignor, its successor, assigns and other legal representatives.

IN WITNESS WHEREOF this Assignment of Patent Rights is executed at _____ on
